Hyderabad Defense Ministry Claims Invaders Suffered 1,000 Casualties On First Day

SUCCESSOR TO JINNAH

BULLETIN
Paris, Sept. 14—(AP)—The United Nations announced today the Security Council will meet Thursday on the invasion of Hyderabad by India.

Karachi, Pakistan, Sept. 14—(AP)—Kwaja Nazimuddin was sworn in today as acting governor general of Pakistan. He succeeds Mohamed Ali Jinnah, founder of the dominion, who died suddenly on Saturday. Nazimuddin, formerly was premier of Bengal. Justice Sir Abdul Rashid administered the oath and cannon fired a 31-gun salute. Nazimuddin then inspected a guard of honor provided by the royal Pakistan navy, army and air force.

Karachi, Pakistan, Sept. 14—(AP)—Kwaja Nazimuddin, former premier of Bengal has been appointed acting governor-general of Pakistan, an official cabinet announcement said today.

He will fill the vacancy caused by the death Saturday of Mohamed Ali Jinnah, founder and first governor-general of the new Moslem dominion.

Nazimuddin will be sworn in late this afternoon.

Karachi, Pakistan, Sept. 14—(AP)—A communiqué from the Hyderabad defense ministry said today Indian troops suffered 1,000 casualties on the first day of their invasion of the princely state.

An Indian army communiqué issued in New Delhi this morning said one Indian column, in western Hyderabad, had lost 100 killed and 150 captured.

On the northern front, the communiqué said, the forces of the Moslem Nizam recaptured one village within eight hours after Indian troops took it. An earlier communiqué received here last night said the Indian advance had been stopped on all fronts.

Today's bulletin said the Indian forces opened 10 fronts in their first onslaughts yesterday and that the forces of the Nizam and the Razakars (a private Moslem volunteer group) are evacuating all Moslems from border villages to the interior.

The Hyderabad radio gave the distance of the penetrations by Indian troops thus far as:

Southeast—10 miles; west—four and a half miles; northeast—eight miles.

(Today's Indian communiqué said columns spearinng in from east and west had reached points within 100 miles of Hyderabad City, the state capital).

Last night's communiqué gave no details, saying only that Indian troops could make no headway.

PROGRESSIVES NOT OPPOSING DEMOCRATS

Harrisburg, Sept. 14—(AP)—The Pennsylvania Progressive party predicted today that Progressive support will enable labor to escape a major defeat in the coming election.

The party said at the same time it will not oppose Democratic party candidates for congress in this state.

J. W. Gitt, York publisher and state chairman for the party, said the nominees of the Progressive party have been withdrawn in the congressional districts where they were slated to run against Democrats and Republicans.

Gitt made the statement in a letter to Harry Boyer, state chairman of the CIO Political Action Committee. The committee is supporting President Truman for re-election.

King George Asks Ancient Power of Lords Be Curtailed

London, Sept. 14—(AP)—The British government announced today that army, navy and air force demobilization will be slowed because of the tense international situation.

"We must also accelerate the improvement of the equipment position, especially in the field of air defense, armor and infantry weapons," Deputy Prime Minister Herbert Morrison told a special session of parliament.

Side-tracking for a moment a bill to curb the powers of the House of Lords—announced reason for the special session—Morrison plunged almost immediately into a discussion of national defense.

He appealed to the country to accept his announcement with level heads, thinking instead of an "Alice in Wonderland" spirit.

London, Sept. 14—(AP)—King George VI rode in royal splendor to Westminster today and asked Parliament in 54 cautious words—to curtail the ancient power of his lords.

His terse speech opened a special ten-day session of parliament and a bitter political battle between the labor government and the conservative opposition of Winston Churchill.

The King asked the legislators his address.

Maine Woman Elected to Seat In Senate Without Benefit Of a Previous Appointment

Washington, Sept. 14—(AP)—The Republican sweep in Maine and new pressure by the States' Rights party against congressional candidates added to Democratic difficulties today.

But President Truman came back fighting in an attack on politicians with "axes to grind and red herrings to drag around" who, he said, are endangering national security by "smears" against scientists.

Mr. Truman left little doubt, as he spoke before the American Association for Advancement of Science here last night that he was talking about investigations by the GOP-controlled House Un-American Activities Committee.

That group presently is trying to trace possible leaks of atomic bomb information from scientists.

It intends later to inquire into the activities of Dr. Edward U. Condon, director of the Bureau of Standards, whom it had labeled "one of the weakest links" in the nation's atomic security chain. Condon denied these charges and has asked the public hearing.

The Republican victory in Maine put Mrs. Margaret Chase Smith in the senate as the first of her sex to win a six-year term without benefit of previous appointment. The victory was widely expected.

The only question was whether the majority she and other Republican candidates polled would top the GOP's Maine record of an 83,000 margin—which would indicate how strong Republican sentiment is running.

Corporate profits, after taxes, he said were \$12 billion dollars in 1946, 17 billion in 1947 and are running 27 per cent higher this year.

Senator Francis J. Myers (D-Penn.) attacked his Republican colleague, Sen. Edward Martin, who had defended the record of the 80th congress.

He said Martin, in a speech before the GOP state committee last week, was using "Alice in Wonderland logic."

Far to the south, states rights supporters who have been fighting President Truman's civil rights program brought new pressure in an effort to force Democratic congressional candidates into their camp.

A highly-placed Democratic official, who asked not to be quoted by name, told a reporter that several house members nominated in Democratic primaries have been threatened with November opposition from the States Rights group unless they desert President Truman.

While this attitude prevailed in some sections in others state rights party supporters indicated they will not insist that senate and house candidates come out against Mr. Truman.

Senator Olin Johnston of South Carolina told a reporter it is his understanding that congressional candidates in his state will appear on both the regular Democratic and the States Rights ticket. Gov. J. Strom Thurmond of that state is presidential nominee of the states rights group.

CHILD BEATER IS ON TRIAL IN ERIE COURT

Erie, Sept. 14—(AP)—Attorneys today sought to complete a jury in the case of 26-year-old Ralph J. Hoge charged with murder in the death of his six-year-old son.

Nine jurors were selected yesterday. District Attorney Damian McLaughlin indicated he would seek a second-degree murder verdict which carries a maximum penalty of 10 to 20 years in prison.

The Commonwealth maintains the Hoge beat his son so severely with his army web belt that he died.

Politicians Eye Voting In Seven States In The Nation

By The Associated Press

Republican sweep in Maine's general election—the first in the nation—brought predictions today of a GOP victory in the November presidential voting.

Rep. Margaret Chase Smith, Republican member of the house for eight years, won a senate seat by a 92,850-vote margin—the biggest ever rolled up in the state.

She and other GOP leaders in the state promptly tabbed the virtually complete results as a "forerunner" of a nationwide triumph for the Republicans.

With the Maine voting out of the way, politicians kept an eye today on primary voting in seven other states for indications of national trends.

In Minnesota, Senator Joseph Ball bid for renomination on the Republican ticket. Candidates on the Democratic side were Mayor Hubert Humphrey of Minneapolis and James M. Shields, a supporter of Henry Wallace's Progressive party.

In Colorado the Republicans are expected to make a major effort to win the senate seat now held by Edwin C. Johnson, a Democrat who has not always gone along with the Truman administration.

Although Michigan reported little primary interest, a close battle was in prospect in November with Senator Homer Ferguson expected to tangle with former Rep. Frank Hook. Mr. Truman put in a plug for Hook's senatorial candidacy when he opened his campaign in Michigan on Labor Day.

Two New England Republicans, Styles Bridges of New Hampshire and Leverett Saltonstall of Massachusetts, are unopposed in their nominating districts.

Two governors' battles are slated today in Washington, Gov. Monroe, close friend of Mr. Truman, is battling former Gov. Clarence D. Martin in the Democratic primary. The winner is expected to face another former governor, Republican Arthur Langis, in the November election.

The party said at the same time it will not oppose Democratic party candidates for congress in this state.

J. W. Gitt, York publisher and state chairman for the party, said the nominees of the Progressive party have been withdrawn in the congressional districts where they were slated to run against Democrats and Republicans.

Gitt made the statement in a letter to Harry Boyer, state chairman of the CIO Political Action Committee. The committee is supporting President Truman for re-election.

Bermuda Lashed By Severe Storm

Miami, Fla., Sept. 14—(AP)—The honeymoon and vacation resort of Bermuda cleared away debris left in the wake of a severe hurricane that lashed the area with winds of 123 miles an hour.

No loss of life was reported and property damage was not extensive, according to reports.

The hurricane had winds of 140 miles per hour in a small area near the center and heavy squalls and gales extended outward 200 miles from the center.

It whirled northward, and the Weather Bureau said it probably would make a slow curve to the north-northeast, accelerating in a forward movement.

All shipping in its path was advised to exercise extreme caution as the disturbance roared toward the busy North Atlantic shipping lanes.

to "amend the parliament act of 1911" by which the labor government intends to cut in half the two-year period in which the House of Lords can delay legislation.

This is intended to help the government ram through one of its most controversial measures—nationalization of the iron and steel industry before the general elections of 1950.

It seems destined to be one of the most controversial legislative sessions of recent history.

Thousands of spectators lined the route of royal procession to see the Monarch and Queen Elizabeth ride from Buckingham Palace in an Irish state coach—last used at Princess Elizabeth's wedding.

A sovereign's escort of household cavalry trotted along in full dress uniform of blue and red. Their polished breastplates and white and red plumed helmets gleamed in the bright sun.

But like the royal address, written for the King by his labor ministers—the royal ceremonies were cut short. The royal couple took the shortest route from Buckingham Palace to the houses of parliament. The state opening of parliament was the shortest on record. The entire ceremony lasted four minutes, with the King requiring only 56 seconds to read his speech.

London, Sept. 14—(AP)—King George VI rode in royal splendor to Westminster today and asked Parliament in 54 cautious words—to curtail the ancient power of his lords.

His terse speech opened a special ten-day session of parliament and a bitter political battle between the labor government and the conservative opposition of Winston Churchill.

The King asked the legislators his address.

PROPOSAL ON SO MALILAND IS ACCEPTED

United States and Britain Approve French Proposal For Former Italian Colony in Africa

TIME GROWING SHORT

Paris, Sept. 14—(AP)—The United States and Britain accepted today a French proposal to place Somaliland, a former Italian colony in Africa, under Italian trusteeship.

A conference source, announcing this, said the Soviet replied that Russia wants all the pre-war Italian colonies placed under Italian trusteeship. Soviet Deputy Foreign Minister Andrei Vishinsky was quoted as saying, however, that Russia opposes the French proposal because no time limit was placed on such a mandate.

Britain, France and the United States also have agreed on a proposal for study by a committee of experts of any problems arising from the four-power meeting here. This also was a French proposal.

Little hope is held out for any overall agreement on the question of the Italian colonies.

With a scant 24 hours left to reach a decision, delegates of the Big Four powers are not even agreed on whether they have the power to decide the future of Libya, Eritrea and Somaliland. Russia says they haven't.

The Soviet contention is that since only one nation—France—was represented by a foreign minister, the delegates had no final authority. When they met for the second session today, there were no foreign ministers present at all but one of the west coast shipping and stevedoring firms "have declined or failed . . . to carry out their current contracts to load and transport army cargo." (The one exception asked for more time before deciding what to do.)

Meanwhile, gasoline deliveries to west coast service stations were cut 25 per cent because of a refinery strike and another large AFL Teamster Union local threatened to pull off the job in New York.

A Standard Oil spokesman said the striking CIO Oil Workers Union at California refineries had offered to lower its wage demand from 21 cents an hour to 19 cents but that the company had refused. The employers have offered 19 cents.

The new trucking strike threat in New York appeared when employers rejected demands of Local 282, AFL Brotherhood of Teamsters for a 25 cent hourly wage boost and other benefits.

There was in prospect only one faint chance for any agreement. That was a report from the Deputy Foreign Ministers Council containing an agreement in principle that Somaliland be placed under Italian trusteeship. The British said they didn't think much of the chance.

The delegations, representing France, Britain, the United States and Russia, got together for the first time yesterday and spent more than four hours arguing about whether they actually constituted a foreign minister's council as provided in the Potsdam agreement.

The western powers said yes. Russia, in the person of Deputy Foreign Minister Andrei Vishinsky, said no.

BLOOMSBURG MILL SCENE OF TRAGEDY

Bloomsburg, Sept. 14—(AP)—Mrs. Marquen Lunger, a 30-year-old divorcee, was shot to death last night after a man called for her at the Bloomsburg mill where she worked, Assistant Police Chief David Beers said.

Shortly after Mrs. Lunger, a resident of Benton, was cut down by three bullets in the neck and one in the breast, a man in whose home she formerly lived was found shot to death in his car parked along a road four blocks from the mill.

Assistant Police Chief Beers identified the dead man as Delbert Gardner, 40, of Orangeville, R. D. Columbia county.

Beers said witnesses to the first slaying said Mrs. Lunger was greeted by four shots as she came to the door of the mill. She died at Bloomsburg hospital a short time later.

Beers said Gardner's body was found in the parked car shortly after the shooting of Mrs. Lunger. A single bullet wound was found in Gardner's head.

The police officer said Mrs. Lunger had been living with Gardner, a widow, and their three children until two weeks ago when she left to live with her parents at Benton.

Although the decree was not final, the marriage license was legal, Judge Johnston said, if the divorce action is completed and the wedding takes place within 30 days before the license expires.

The project is sponsored by the Army Corps of Engineers. Representatives from the Pittsburgh office attended the meeting, explaining the plan.

The area would be developed under the auspices of both the state and federal governments with local authorities also sharing the costs.

The Army representatives said their plans now will be submitted to Washington.

FIRE AT GREENSBURG

Greensburg, Sept. 14—(AP)—Fire Chief Joseph Rush, driving by in his auto, discovered a fire yesterday which he estimated did \$50,000 damage to the two-story Henry Printing Co. One fireman was overcome fighting the intense flames, fed by quantities of stored paper.

Co. I Plans 'Open House' September 25

There will be no special observance of National Guard Day Thursday, so far as Company I, local unit of the 112th Infantry is concerned, but the Company is arranging to celebrate the event Saturday, September 25th, in connection with the Warren Pennsylvania Week parade and program. At that time the Company will appear in the parade and during the afternoon and evening will hold "open house" at the State Armory in Hickory street.

The principal feature of the open house will be displays of all weapons used by the company in tactical training which was completed at Indiantown Gap last month.

At the present time the Company has about seventy enlisted men and six officers, and it was stated today that there are still vacancies for men in the company. All enlisted men who served in World War II and held one of the top three non-commissioned grades for at least six months are eligible to compete for officer's rating.

Recruiting has been closed for the National Guard since the 24th of June due to the newly passed draft law. Recently Capt. Irvin J. Kays, commanding officer, Co. I, received authorization from the National Guard Bureau, Washington, D. C., to again accept enlistments for the local unit.

Men between the ages of 17 to 35 inclusive are invited to stop at the Armory, Hickory street, to discuss the advantages and possibilities offered them under the new program.

NATIONAL GUARD DAY PROCLAMATION

New Officers For Elk Twp. Homecoming

A belated report of the annual Elk Township Homecoming Day indicates a very successful event with more than 300 persons registered.

WHEREAS, is in fitting that all Americans pay tribute to the Guardsmen, both living and dead, who have distinguished themselves by service to state and nation;

NOW THEREFORE, I, W. F. Crossett, Burgess of Warren, in order that we may continue to live in our community with the assurance of security and safety, urge all of our citizens to join in grateful recognition of the sterling service of our friends and neighbors in the National Guard and to support in every possible way the continuing development of our own National Guard unit.

W. F. Crossett,
Burgess.

EMERGENCIES TREATED

Raymond Catania, 20, of North Braddock, was treated at Warren General Hospital Sunday for a broken left forefinger which he sustained playing against the Warren Red Jackets on Memorial Field. Mrs. Amelia Dase, 72, of 206 Dartmouth street, was treated Sunday for lacerations of the forehead when a car in which she was riding ran off the road near Scandia. Harry Burroughs, Chestnut street, was treated for lacerations of the right arm when he fell through a window early Sunday morning.

RUSSELL IOOF

The regular meeting of Russell IOOF Lodge will be held next Monday evening, when the business session will include nomination of officers and other important items. A large turnout is asked for.

PLUMBERS ASK HIKE

Thirteen union plumbers at Meadville went on strike yesterday because employers refuse to grant their request for an increase of 50 cents an hour to \$2.25. Employers say they are willing to give the men a reasonable increase, but not 50 cents.

AT CONVENTION

County Commissioners Seavy, Olney and Loper together with Clerk Ray Thompson, are leaving today for County Commissioner's convention to be held in Pittsburgh at the William Penn Hotel on Wednesday, Thursday and Friday of this week.

MISSING ON LAKE ERIE

Coast guardmen are searching for three Erie men unreported since they went fishing Saturday night. The men are Louis Walter, 32; Frank Kowalski, 43, and Clarence Mogel, 31. They were last seen in their 16-foot outboard motor boat about 9 o'clock Saturday night when they purchased minnows at the Erie public pier.

CORRY PLANT RESUMES

Partial production was resumed today at the Corry-Jamestown Mfg. Co., which has been strike-bound three months. Members of the International Association of Machinists voted 140 to 11 last night to accept a new contract embodying a 11-cent hourly increase. About 350 employees are affected.

BROTHERHOOD MEETING

At a meeting of St. Paul's Brotherhood, to be held in the downstairs auditorium of the church this evening, James E. Springer, of the high school faculty, will give a safety talk on "Giant Killers". His talk will start about 8:15 p. m., following a 7:30 business session. All members and friends of the parish are welcome to hear his address.

MOOSE LODGE

The next regular meeting of Warren Lodge of Moose will be held at 8 p. m. Wednesday. This is the only meeting to be held this month and a large attendance is desired. A large number of applications will be acted upon, and the delegate to the national convention in Chicago, and to Mooseheart, will give his report. Following the business session, lunch will be served by the committee.

VESSEL IS PROBLEM

According to the Titusville Herald the tremendous pressure vessel which the Struthers-Wells Corp., recently completed for the Shell Chemical Company of Houston, Tex., is still reposing on its three flat cars in the New York Central yards there. The vessel was to have left Titusville yesterday. However, the railroad is still investigating some clearances before rolling it out on the road.

OTHER CONFERENCES AND DENOMINATIONS

Reports from the conference include also the fact that Lyman P. Taylor, who is the son of Rev. and Mrs. Palmer N. Taylor, just returned to Russell church, was admitted to full membership. The Rev. George Swanson will return to Ashbury Theological Seminary at Walmore, Ky., where he will complete his theological training in March. Rev. Conroy is stationed at Panama, N. Y., and Rev. Knappenberger, Jr., is at Bemus Point, N. Y.

LOUIS PRIMA ON STAGE IN PERSON TODAY

Louis Prima, the trumpet man, who "plays pretty for the people" over the entertainment chores at Library Theatre today only, afternoon and evening, will display that brand of pleasant nonsense and rhythmic tempos which make his orchestra a standout favorite.

On stage, Prima literally lives his song slogan, "Be Happy," and his infectious shenanigans and gravel-throated vocals invariably meet with a hearty reception. A great showman, he imparts to his contingent this same ability to please an audience and, as a result, they stage a sparkling program.

Lovely Louis is an established favorite with dancers the country over. They like his unique, distinctive rhythms that combine the best of modern swing and New Orleans rhythm in a fashion that makes for easy dancing as well as interesting listening.

Louis Prima has played successful engagements at the Hotel Astor in New York City, the Meadowbrook in New Jersey, the Hotel Strand, Chicago; Strand Theatre, New York City; Palace Theatre, Cleveland; Hippodrome Theatre, Baltimore; Stanley Theatre, Pittsburgh; Riverside Theatre, Milwaukee, Wisc.; Park Central Hotel, New York City; RKO Theatre, Boston; Oriental Theatre, Chicago; Palace Theatre, Columbus; and many other leading theatres and dancing spots. During most of these engagements the Prima music was aired on the major networks.

Movie-goers know Prima well, too, for his appearance in such hits as "You Can't Have Everything," "Rose of Washington Square," "Rhythm on the Range," "Start Cheering," and "Manhattan Merry-Go-Round."

Services For H. L. Mitchell Held Monday

Captain Willis Mitchell and Marshall Parshall, of Warren, were in Pittsburgh yesterday to attend services in memory of Harry L. Mitchell, brother of Captain Mitchell and former president of the West Penn Power Company, who passed away in Allegheny County General Hospital last Friday evening following a short illness. He was 65 years of age.

The services took place at two o'clock in Shadyside Presbyterian church with interment in Homestead cemetery.

Mr. Mitchell, one of the nation's prominent utility executives, rose from clerk to president after joining the organization 46 years ago. He was transferred from Warren to Connellsville and then to Pittsburgh in 1911 as assistant to the vice president and general manager. In 1915, he was named assistant manager of the light and power division.

Mr. Mitchell was then transferred to Wheeling, W. Va., after being elected vice president and general manager of the Wheeling Traction Company in 1918. A year later, he returned to Pittsburgh as general manager of the West Penn Railways Company and became vice president of the firm in 1920.

In 1928, he was elected to the presidency of the West Penn Power Company, a position he occupied until the time of his passing.

He is survived by his widow, the former Edith M. Davidson, of Connellsville; a son, Charles D. Mitchell, of Lexington, Ky.; two daughters, Mrs. John J. Jennings, of Wynnewood, and Mrs. J. Laird Devou, of Pittsburgh; and one brother, Captain Mitchell, of Warren.

Easton Man Shoots Self And His Wife

Easton, Sept. 14—(AP)—Mrs. Howard DeLong, 22, was shot to death and her 25-year-old husband fatally wounded in their apartment last night while police pounded on the door, Patrolman Francis Boyland reported.

DeLong died a short time later in Easton Hospital.

Coroner D. F. Bachman of Northampton county issued a certificate of murder and suicide.

Boyland said Mrs. James Stocker, a neighbor, called the police after De Long ran into her apartment and shouted:

"Come and stop me. I'm going to kill Gerry."

The De Long apartment door was locked when police arrived, Boyland said.

He said he heard a man's voice call out: "Who's there?"

"The police," Boyland replied.

Then a shot rang out, the policeman said.

Boyland climbed through a kitchen window and found Mrs. De Long shot through the head with a gun beside her. In another part of the apartment he found De Long with his hand clasping another gun.

Tickets Are Distributed For "Parade"

Reserved seat applications have been received by all members of the SPEBSQSA and are now available to the public. In addition, tickets are also on sale at the E. and B. Smoke Shop.

It was announced at the well attended rehearsal last evening at the YMCA that all applications should be mailed to Harold Swanson, care of 9-O Garage, and accompanied by a check or money order for the number of seats desired. Tickets will be mailed to the purchasers promptly.

In addition to the Pittsburghers, 1948 International Champions which will headline the bill to be presented at the High School auditorium and Woman's Club auditorium on October 9, the E. J. Velvtones, of Binghamton, N. Y., will be heard. This group was the 1947 and 1948 district champion and a finalist in the regional meet.

Another group to be featured will be the Melody Men, of Buffalo, who are immensely popular on the radio there. Also the Buffalo Bills, from the same city, will present their comedy specialties.

Another rehearsal of the Warren group will be held next Monday at the YMCA.

SHIELD NEWS

Sheffield—The Michael and Nicholas Peroski post 8755 of the Veterans of Foreign Wars have concluded the purchase of the home currently occupied by Mr. and Mrs. Andrew Deliman at the foot of Austin Hill.

The property which includes 20 acres of partially wooded land will soon be converted into a club for the VFW post which was organized here about a year and a half ago.

The Delimans will move to a home on Mill street which they are purchasing.

In obtaining the Deliman property as a clubhouse, the Vets are realizing an objective they have sought ever since organizing. The location is well suited to their needs in that it is within easy access to everyone and still will enjoy the privacy of its wooded acreage.

The sale was transacted at an indicated price of \$4,000. Approval of the purchase was made at a meeting of the members several weeks ago.

Smear Tactics Are Assailed By President

Washington, Sept. 14—(AP)—President Truman assailed congress from a new quarter today with a charge that "some politicians" are endangering the nation's safety by "smear" tactics against scientists.

The House Un-American Activities Committee—which he did not mention by name—was the obvious target of Mr. Truman's assertion that atomic experts are being driven from the government in these "hazardous times" by "totalitarian" and "Un-American" procedure.

The president stoked up his feud with the house committee, headed by Rep. Thomas (R-NJ) in an unexpectedly fiery address last night to the annual meeting of the American Association for the Advancement of Science. He termed the talk "non-political."

Speaking to an audience estimated by Constitutional Hall officials at upward of 2,000, the chief executive asserted the country's security requires that scientists work "in an atmosphere free from suspicion, personal insult or political motivation."

Their indispensable work, he continued, "may be made impossible by the creation of an atmosphere in which no man feels safe against the public airing of unfounded rumors, gossip and plain vilification."

A short while ago Mr. Truman spoke. Dr. Philip M. Morse announced that he had resigned as head of the Brookhaven Laboratory partly because of the "atmosphere of suspicion" against atomic scientists created by the house group.

Morse said in Belmont, Mass., that he had quit the atomic post July 17 to return to the Massachusetts Institute of Technology as a physics professor. He emphasized that he is in full agreement with necessity of investigating workers on atomic projects for security reasons, but he assailed the house committee's "manner" of investigating.

FREEDOM TRAIN

The appearance of the Freedom Train in Oil City, Sunday, September 19, will without doubt be the most important visitation this section shall have this year. The following article by Graham Patterson, publisher of Pathfinder, is timely and well worth reading:

It is almost a year since the Freedom Train began its 13-month criss-cross tour of the U. S. Fittingly its transcontinental jaunt started in Philadelphia, the birthplace of our nation and the freedom toward which a frightened world looks so yearningly.

If you have not visited the Freedom Train, you should make it a point to do so, if the Train's itinerary should bring it within any reasonable distance of your community. To date it has visited more than 250 cities; visitors have totaled more than 2,000,000, a daily average of more than 8,000 people.

By the time the Train's tour ends on October 16, it is estimated about 3,500,000 people will have visited it and seen its priceless relics and documents, and between 40 and 45,000,000 persons will have participated in the Community Rededication Week exercises that have proved so inspiring wherever the Freedom Train has appeared.

The Train bears 127 of the most famous of the original documents which have marked the development of individual liberties of this country from colonial days down to the present. The purpose of the touring exhibits is to make Americans everywhere aware of their heritage of democracy and more zealous in protecting it.

Its treasured documents bring a new conception of the perils and hardships that our forefathers endured to bring into being a government in which the freedom and dignity of the individual are all-important. Under the government and the way of life set up under these documents, our forefathers were able to create and leave us this great, rich heritage that is ours today.

But the Freedom Train also serves to remind us that the struggle for human freedom is a constant battle. Especially in these days when our way of life is being challenged by a powerful foreign nation and its satellites. The inheritance of freedom that has been left us is not ours to squander nor to lose by indifference. The price of liberty must be the eternal vigilance of those who enjoy it.

PHLOX FLAME

The New York Times

Phlox means "flame" in the original Greek, and it flames now in gardens all over America. Perhaps it is because the season is slow this year, but the phlox seems more than usually brilliant up through central New England, up Connecticut Valley way and into the old mountains that rise from the Berkshires north. It flames in almost every dooryard.

But the brightest flame of all is beside old stone walls and clapboards weathered gray through generations of time. On back roads, where too many old houses stand with vacant windows and sagging roofs, you find such phlox, now and then, where vanished hands once tended herbs and flowers between more urgent household tasks.

It is commonly said that phlox untended reverts to the dull magenta color. It needs tending and cutting to hold its beauty. Yet somehow banks of crimson and cherry red and white persist in a few of those forgotten gardens. The grass grows tall, the steeple bush encroaches, even the stones from the wall have tumbled into the bed; but there persist the strong colors. One wonders if some passer-by came, year after year, to cut choice heads.

However it happened, there stands the phlox, aflame with beauty as it must have flamed when some forgotten hand set it there and watched it come to bloom and paused to smell its fragrance before she went back to the canning kettle. There it is, persistent monument to one who could sing at her work, just seeing the phlox in the dooryard aflame when August came this way.

The proposed Pennsylvania Week parade and program in Warren, September 25th, received 100 percent endorsement of the Retail Merchants' Bureau of the Chamber of Commerce at a meeting last evening. Everybody's getting into the act and it looks like there'll be a hot time in the old town a week from next Saturday.

Up at Sugar Grove there is plenty of bustle and excitement incident to the completing of plans for the annual Community Fair being held this week. Every indication points to one of the biggest and best fairs ever attempted in that community.

We have just discovered that the early bird that got the worm turned it over to a chestnut.

Every community in the commonwealth should benefit by the fact that Pennsylvania is going to start soon teaching bicycle safety at the kindergarten age. Ivan J. Stehman, chief of highway safety education in the Department of Public Instruction, said only the schools can do a real job of teaching young cyclists highway rules and regulations. "Most parents," he explained, "don't know the local ordinances or what the regulations are when they put their boys and girls on bicycles and send them out on the streets and highways. The state's program is now calling for such education to start in kindergarten and in first, second and third grades as well as in the upper grades.

This and That: Congratulations to Paul Perkins, Youngsville, who at State College last weekend, competing with 287 boys in the commonwealth, won a place among the judges selected to represent Pennsylvania in the national contest at Kansas City in November, when Future Farmers of America will hold their 20th anniversary celebration. Titusville police stopped five children under 16 years of age who were out after the ten p. m. curfew Saturday night, after ten had been stopped Friday night, making 15 in all who were asked for their parents' names and addresses—should they start chasing children under sixteen on the streets of Warren at ten o'clock at night the police of this borough surely would have a problem. An explanation for a shrunken head found in the trunk of a used car by Raymond Collet, of Olean, was received from Maurice Baker, former owner of the vehicle who said he bought the grotesque war souvenir in Panama in 1946 and had failed to remove it when the car was sold. As another world series looms up memory of many of the oldtime fans drops back to the memorable classic of 1912, when Hugo Bieden, of Levant, N. Y., started for the Boston Red Sox when they

Rachel Johnson and Harold Pedersen Wed September 4 in St. Paul's Church

Mr. and Mrs. Charles N. Johnson, 324 East Fifth avenue, announce the marriage of their daughter, Rachel, to Harold Pedersen, son of Mrs. Peter M. Pedersen, 6 Cedar street, in a pretty late summer wedding performed at 2:30 p. m. Saturday, September 4, in St. Paul's Lutheran church. Pastor Nore G. Gustafson read the double ring service. Pains and white glads were used in decorating the chancel and altar vases of white glads were flanked by tapers in candelabra.

Mrs. Emil Jacobson, church organist, played a half-hour recital as guests gathered.

Escorted and given by her father, the bride chose princess gown of white slipper satin, styled with high neckline and long sleeves. Her veil fell fingertip length and her bouquet was fashioned of white roses. Her wrist watch was the bridegroom's gift.

Attending her as maid of honor was her sister, Patricia, and as matron of honor, Mrs. Vivian Sterling, sister of the bridegroom. They wore frocks of white bemberg and matching hats. Their dresses had fitted bodices and full skirts and their nosegay bouquets were of pink roses.

Garney Pedersen was best man for his brother and ushers were Willard R. Johnson, Merle Sterling, Emerson Rieder and Joe Howard.

The bride's mother wore teal blue with black accessories and Mrs. Pedersen chose black accessories with a light blue print. Each had a yellow rose corsage.

The reception followed in the church parlors, with a guest list of 200. The bride's table was centered with a five-tiered wedding cake, white glads and tall white candles. Guests included Mr. and Mrs. C.

Sept. 4th Wedding of Catherine Ann Bellan and John G. Ward Announced

An informal wedding solemnized at 3 p. m. Saturday, September 4, in the North Warren Presbyterian church unit in marriage Catherine Ann Bellan, of North Warren, daughter of Mr. and Mrs. John Bellan, of New Brighton, and John Godel Ward, son of Mr. and Mrs. Robert Ward, North Warren.

The church was simply decorated with baskets of white gladioli and the pastor, Rev. Robert C. Knapp, read the service. Mrs. William Graham was at the organ to play the traditional processional and recessional, also "Because," "At Dawning," "To a Wild Rose," "I Love You Truly."

Given in marriage by her father and attended by Miss Alice Boyd, the bride chose a two-piece dress of gold colored velvetine, trimmed with gold colored satin, and complemented with brown accessories, and a brown, veiled feather hat. Her bouquet was of Talisman roses. Miss Boyd wore a two

piece dress of brown satin, dark green feather hat and brown accessories, and carried yellow roses.

Jack Songer, North Warren, was best man for Mr. Ward and ushers were Robert Lundberg, Clinton Scott and Eddie Gardner, North Warren; James Glans, Warren, cousin of the bridegroom.

Mrs. Bellan chose a frock of gray gabardine, with black accessories, and Mrs. Ward was attired in teal blue crepe, with black accessories, each having a gardenia corsage.

The reception for 100 guests followed immediately in the church parlors, where the table was beautifully set with an heirloom lace cloth, the property of Mrs. Frank Lingard, tapers and a four-tier wedding cake. Mrs. Jack Bennett, sister of the bride, of Coraopolis, and Miss Jane Ward, sister of the bridegroom, presided at the table and sides were Miss Jeanette Ward, Miss Sally and Miss Jean Lundahl, Mrs. Carl Glans, Mrs. Carl Engle, Mrs. Frank Lingard of Warren. Mrs. Florence Ward served the cake. White vases of morning mist and white pompon dahlia were used in additional decorations and small tables were centered with small vases of pink and white petunias. The parlor windows at the rear held white vases of pink cosmos and pink petunias.

Out of town guests were Miss Eleanor Brozovich, McKees Rocks; Mrs. Myrtle Caldwell and daughter, Wilma, Brentwood, Pa.; the Misses Ethel Hendrickson, Betty Jo Ben, Frances Buggard, Doris Abendroff, Pittsburgh; Miss Margaret Summers, North East. For a wedding trip to Canadian points, the bride selected a brown gabardine suit and matching accessories, with a gardenia corsage. The newlyweds will make their home in Albuquerque, N. M.

The bride is a graduate of Stowee Twp. High School and of Allegheny General Hospital School of Nursing, Pittsburgh, and has been employed at the Warren State Hospital.

Mr. Ward, graduate of the local high school, served one and one-half years with the armed forces, with one year in Tokyo, and has been employed by the New Froess Company.

Pre-nuptial parties were given by Mrs. Robert Ward and Mrs. Jane Ward, Mrs. J. F. Crane, Mrs. Carl Engle and Mrs. Stuart Phillips, Misses Alice Boyd and Vivian Kent.

First Methodist Missionary Unit Has Fine Meeting

A very large attendance marked the opening fall meeting of the Isabella Thoburn Missionary Circle held in DuBois parlors of the First Methodist church. Miss Florence Lund was in charge of the devotional period and Mrs. W. G. Cable, chairman, presided at the business session, when reports were read by Miss Estelle Roswell, Mrs. E. J. Messerly and Mrs. S. W. Cramer.

The program opened with Miss Gloria Hausaman, of St. Louis, Mo., and New York, singing a group of three selections: "Glamour Girl" by Flynn; "If I Could Tell You" by Firestone, and "A Little Song of Life" by Malotte.

Miss Hausaman, who is a niece of the program chairman, Mrs. R. W. Frantier, possesses a very beautiful voice and is always gracious in giving of her talent. Her accompanist was Miss Estelle Wolcott.

The speaker of the evening was Miss Edith Langdale, of Grace Methodist church, who was a delegate to the Chautauqua Institute of Missions. Miss Langdale gave a comprehensive report of the entire week which covered worldwide missions—her accents being on Russia, China, Arabia, and most important, our own Alaska, where she said all manner of vice is rampant and where a large number of our new draftees are expected to be sent.

Representing the senior group of the Methodist Youth Fellowship were Miss Mary Louise Anderson and Miss Constance Tranter, who had attended the assembly at Allegheny College this summer. They brought back glowing reports of the deep interest these young folks have in the missionary work.

To conclude the program, Miss Dawn Taft gave a resume of the intermediate class assembly held at Findley Lake. She, with several others, enjoyed a very happy week there.

Miss Eunice Alexander, Mrs. Daisy Branch and Miss Blanche Alexander served tea, with Mrs. Wayne L. Furman and Mrs. W. G. Cable presiding at a table centered with a large bouquet of garden flowers and lighted with tall ivory tinted candles.

Out of town guests were Mrs. Joseph Hausaman, St. Louis; Miss Gladys Richardson, Enid, Okla., and Miss Spindler, Detroit, Mich.

The entertainment committee has arranged such a large program that they are now wondering if the audience will be large enough for it.

With a picnic which provides a good supper without charge, or collection, and which also assures some fine entertainment in addition to the announcement of plans for the coming membership campaign, it is hard to believe that there will be either than a full house, but no matter what the attendance, or expected attendance, those who are interested who call one of the numbers noted above before Wednesday are assured that they will be taken care of just as well as the they had received a card. After all, who is going to complain if the committee decides to economize on post cards and spend the money on food and entertainment instead?

Boys' Work Secretary Is Named at "Y"

Warren YMCA officials today
announced appointment, effective
Oct. 4, of James C. Hengst as
Boys' Work Secretary of the local
Y, a post once held by his father.
The new secretary has been
Boys' Worker at the Alain Line
Branch of the YMCA at Ardmore
for the past year and a half, and
will succeed Cy Little, who resigned
recently to accept a position in
the personnel department of a
Harrisburg steel mill.

Hengst's father, C. M. Hengst,
was Boys' Work Secretary here
from 1921 to 1923, and is now general
secretary of the Kearney
(N.J.) YMCA.

daughter, Miss Joan, will observe
open church for her marriage to
Donald J. Weaver, 116 North Irving
street, on Friday, September 17.

The ceremony will be performed
at eight o'clock in the evening in
the Emanuel Evangelical and Re-
formed church.

GLADE FARM WOMEN
The Glade Farm Women's So-
ciety will hold its monthly meeting
Thursday afternoon, at 1:30 o'clock,
at the home of Mrs. Fred Simons, 337 Park street.

Family Reunions

RUHLMAN FAMILY

Descendants of the Daniel Ru-
hlman family gathered at the lovely
home of Mr. and Mrs. George King
along the Allegheny river for their
annual reunion, with relatives
present from Pittsburgh, Butler,
Jamestown, Youngsville, Warren
and surrounding territories. A de-
licious ham dinner prepared by the
Lewis Catering Service was served
at one o'clock to the over 100 per-
sons in attendance, after which a
short business session was held
with Hyatt Ruhlmam presiding.

Minutes of the previous reunion
were read by Margaret Moran,
secretary, and Blanche Mead, his-
torian, gave a few brief remarks
regarding the history of the family.

The following officers were
elected: President, Ross Ruhlmam,
Sr.; first vice president, Martin
Swanson; second vice president,
Franklin Mead; secretary-treasurer,
Grace Balch.

Mr. and Mrs. Hengst plan to ar-
rive in Warren Oct. 1 and have
asked the cooperation of the local
YMCA staff in locating a house or
apartment. They have no chil-
dren.

Bucs Dumped In Polo Grounds Graveyard of Pennant Hopes

By RALPH RODEN

Associated Press Sports Writer
The historic Polo Grounds is fast gaining a reputation as the graveyard of pennant hopes.

Burt Shotton brought his Brooklyn Dodgers into the lair of the New York Giants over the weekend for a four-game series and left the cigar box with only one victory.

The high-flying Pittsburgh Pirates showed up last night boasting a seven game winning streak and Lippy Lee Durocher's fence busters could them off, 5-2.

By knocking on the pursuers of the front-running Boston Braves, the Giants themselves are sticking very much in the running for the National League flag.

Last night's triumph boosted the Giants into a fourth place tie with the idle St. Louis Cardinals, five and one half games behind the Braves. The Giants and Cards are only .005 of a percentage point behind the third place Dodgers, who also trail the Braves by 5½ games.

Lefty Monte Kennedy stopped the Pirates surge, scattering nine hits for his third triumph.

The Pirates opened in high gear, scoring once in the first inning on a double by Johnny Hopp, an infield hit by Duke Walker and Ralph Kiner's ground out.

But the Giants bounced back in their half, pounding on Southpaw Vic Lombardi, a former Giant killer, for three runs. They scored

their runs on an error by Stan Rojek, Whitey Lockman's single, Sid Gordon's double and Willard Marshall's two-run one-bagger.

The Giants clipped Lombardi for another run in the second and completed their scoring in the sixth at the expense of Kirby Higbe. Kennedy gave up Pittsburgh's final run in the seventh.

Brooklyn wrested third place from the Cards by dumping the Chicago Cubs, 6-4 in a night game at Brooklyn.

A four-run seventh inning rally beat the Dodgers to overcome a 3-2 deficit and win. Two singles, two sacrifices, two errors, and two fly balls accounted for the runs.

Lefty Johnny Schmitz, an old Dodger nemesis, went the route for Chicago. Schmitz, who now has won 17 games and lost 12, entered the game boasting a 6-1 record over Brooklyn.

Red Barney, who hurled a 2-0 no-hit triumph over the Giants last Thursday, went the distance for Brooklyn to gain his 14th win. He has lost 10.

Only one game was played in the American League, the St. Louis Browns upsetting the third place Indians, 3-2 at Cleveland. Pinch-hitter Joe Schultz singled in the ninth with the bases full to enable the Browns to break a 2-2 tie and win.

The loss left the Tribe three full games behind the first place Boston Red Sox.

The Indians also lost the services of Pitcher Don Black for the rest of the season. Black is in a critical condition in a Cleveland hospital with a hemorrhage near the brain.

Black apparently twisted his neck when he hit a foul ball in the second inning. He fell at the plate in pain, was helped from the field and later lost consciousness. The physician, Edward Castle, however, said Black had an excellent chance to recover.

Conti smashed a home run for the victors and also had a double. Coppola and Aumer were credited with triples for the local Knights.

Jamestown will now face the winner of the Wellsville-Olean game for the league crown.

TO DISCUSS WORLD SERIES WEDNESDAY

Cincinnati, Sept. 14 — (AP) — Rules and arrangements for the 1948 World Series will be discussed here Wednesday, the office of Baseball Commissioner A. B. (Happy) Chandler disclosed yesterday.

Nine teams have been invited to the annual pre-World Series meeting—the four leaders from each league and the New York Giants of the National League.

Walter Mulbry, secretary of baseball, said discussion subjects will include ticket prices, umpire operations, rules and other routine arrangements.

Dick Reed Wields Heavy Bat For Glendora Baseball Nine

Dick Reed, star Warren high school basketball player last year, also can swing a mean stick on the diamond. He set a blistering .455 pace to lead the swatters for the Glendora Coffee baseball team in its 1948 campaign.

The Coffee squad annexed the Sunset Baseball League championship and wound up with 22 wins, 14 losses and one tie for a .611 percentage.

Official batting and pitching averages for the team were announced today, as follows:

Youngsville Future Farmer To Compete At Kansas City

Paul Perkins, son of Ernest W. Perkins of Torpedo, won second place in the finals of a state-wide Livestock Judging Contest at State College Saturday.

Perkins, along with Dale Croop of Berwick and Carl Hagerman of Bangor, won the right to represent Pennsylvania Future Farmers of America in the National Livestock Judging Contest to be held at Kansas City in November.

The three youths also will participate in the 20th anniversary celebration of the F. F. A., which will be held at the time of the Royal Livestock Show.

Perkins has been very active the past three years in the Youngsville F. F. A. He is now Secretary of the Area F. F. A. Chapter. He has conducted a splendid project program during the past three years, and will be a candidate for the Keystone Future Farmer Degree at Harrisburg during the Farm Product Show in January.

Robert L. Albright of Youngsville, has been Paul's instructor of Agriculture for the past three years.

T. R. Sponsler, County Adviser, reports that many Keystone F. F. A. boys will participate at Kansas town druggist.
